The amendment filed 081312, FEC-804032 was made to reflect a change of the designated agent and custodian of records, as well as to update the email addresses associated with the committee. In addition, several depository accounts were taken off the statement of organization following an internal audit regarding the committees banks and other depositories and the erroneous reporting of investment income not received by the committee (see page 6 and Schedule B, Line 29 from the July 2012 (M7) monthly report).
